

# Mother's Day Flower Pot Card Directions & Template

Supplies: Two sheets of paper (construction / card stock), pencil, glue, marker, scissors, washi tape, cupcake liners, pom poms

## Instructions:

1. Print this template and cut out the flower pot below.
2. Fold a sheet of paper in half and trace flower pot onto this paper making sure not to cut out the top of the flower pot on the left hand side.
3. Glue flower pot cutout to sheet of paper.
4. Using three pieces of washi tape adhere them to the paper coming out of the pot to make the flower stems.
5. Take cupcake liners in any design or style and overlap two together to create flowers. Glue to each other and to the paper at the top of the washi tape. Repeat to make three flowers.
6. Glue a pom pom into the center of each flower.
7. Have your child write on the pot who the card is for and a message inside!
